*All monies raised will go towards the
siblings in families of kids with a disability.*

CatholicCare's **Family & Sibling Support (SIBS)** program, is funded from donations and places special focus on the brothers and sisters in families of children with a disability.

Through Saturday Sibs Club, the kids get the chance to relax, unwind and escape their caring duties while meeting others who share the experience of disability and form long lasting friendships. The whole family is strengthened when sibs are supported.
